BWMU 01: 2 DAYS 1 NIGHT MULU SHOW CAVES

(Valid from 01/04/07 to 31/03/08)

So far 310 kilometers of passages have been surveyed and that is only a third of what is believed to exist. The system includes the world's largest natural chamber, **Sarawak Chamber**, capable of holding London's St. Paul's Cathedral, the world's largest cave passages - **Deer Cave**, and the longest cave in Southeast Asia - **Clearwater Cave**, which runs for 108 kilometers and has never been traversed from end to end.

ITINERARY

Day 1 Upon arrival at Mulu Airport, you will be greeted by our friendly representatives and you would then be transferred to **Royal Mulu Resort**. Meet at the resort's lobby for transferring to **Mulu National Park** headquarters. After registration, proceed on plank walk for 3km to reach **Deer cave & Lang Cave**. Continue with the most interesting event of the day, observing bats flying out of the caves entrance in the evening at observatory centre. Return to resort after that for accommodation.

Day 2 Have your breakfast at resort before the journey to **Batu Bungan – Penan Settlement**, by using **longboat**. You can observe the tribe's lifestyle and you can also purchase handicrafts displayed for sale at Penan Settlement. Continue journey to **Wind Cave** and **Clearwater Cave** by longboat.
